**OLIVIA GARDEN - DOUBLE CLIP**

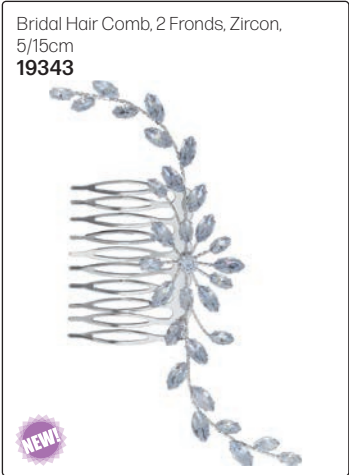

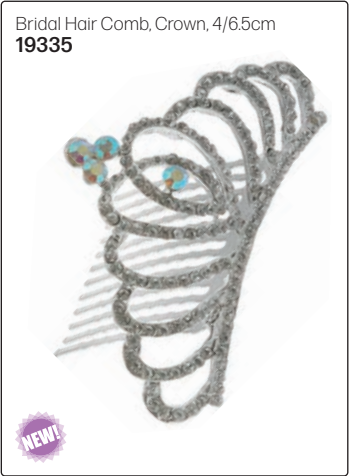

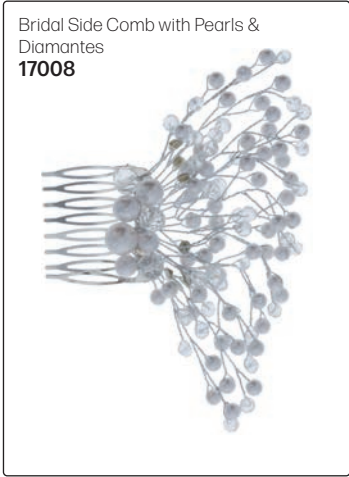

Save time when cutting, styling, curling or coloring by using less clips. Durable, lightweight & spring-loaded for a strong hold. Great for many styling techniques including dry-set pin curls. Easy & fast to curl hair.

1. Take a small hair section & blow dry with a round brush.
2. Use Double Clip to secure dried hair section in a curl shape.
3. Optional: For longer-lasting curls, apply styling spray.
4. Remove clips when hair is completely dry & ready to finish styling.
